HOSPITAL VISITS

Just a reminder that when a Legion member goes to the hospital, please have a member of the family call the bar so that we may visit you. Also, please let us know when you leave the hospital. It makes it easier on the committee. Call 519-752-6668.

CATERING NEWS

After almost a year of having no catering work for the Legion, we are finally getting some. This means that we will be looking for volunteers to work in the kitchen, serving and cleaning. These catering jobs are what keeps the Legion viable.

If you would like to help out and bring the Legion back to a positive position, please call Lou Anne at 519-304-1441.

BEREAVEMENT SERVICE BRANCH POLICY

When there is a death of a branch veteran or member, it is the responsibility of the family to contact the branch to request a Legion service if one is desired. A notice providing the time and location of the service is posted in the Ed Potter's lounge at the legion to go along with the notification given in the Brantford Expositor.

The padre is contacted to arrange the service.

PRESIDENT'S REPORT

Comrades,

Spring and summer are fast approaching and a lot of our programs are ending. Thanks to all our comrades that have participated in these events. Your support is greatly appreciated. It is during the next few months that your legion will need our support more than ever.

This is our year to hold our election at our May General Meeting. The list of those nominated at the March General Meeting is listed in your bulletin. At the March General Meeting, which is when the nominations took place, we had only 10 members plus your executive in attendance. WHY?? We have over 400 members registered with our branch and the General meeting participation was extremely disappointing. Remember, General meetings are your opportunity to voice your concern. The General Meeting in May is election night. Your new executive will be elected and sworn in. So please show your support for those comrades that are willing to stand and be responsible for running your legion for the next two years by attending this very important night. **MAY 16, 2018.**

Our organization, The Royal Canadian Legion, is changing. Membership is declining with our aging population. We need to encourage new people to join the Royal Canadian Legion. I recently attended our District Zone B Convention in Simcoe and it was one of the main concerns with most branches. I would like to challenge all of us to talk to at least one person about joining our legion. If everyone did this with 400 members even at 10% that would be 40 new members.

www.royalcanadianlegion.ca If you haven't visited this web site, you should. You will get a better understanding of how many programs our great organization is supporting for our veterans old and new. We, as members, need to stand up and let people know everything that we do for Veterans and their families.

In closing, I have been your President for 4 years and we have faced many challenges together. I have not been alone. Your executive has been with me every step of the way. Hopefully we have served you well. I would like to thank all of my executive, secretary, bar staff, cleaner, maintenance and the numerous volunteers. Without your continuing support this job would be impossible. **YOU'RE THE GREATEST!**

We are moving forward and at the May General Meeting we will find some new and old faces on your executive. **PLEASE GIVE THEM YOUR SUPPORT**

Notice to Members Regarding E-mails

Comrades,

There was a discussion at our last general meeting about sending the bulletin via E-mail in order to save money. We put together a mailing list with the email addresses we have on file and sent a demo to test the idea. For those who received the December 5th e-mail, you have the choice to participate or not in this initiative. Please reply to us (by e-mail) with your decision.

If you did not get the e-mail message:

- If you do not have e-mail access, you will continue to get the bulletin the regular way.
- Old registration forms did not ask for e-mail addresses or there was an error. If you have e-mail and want to participate in this initiative, please send an e-mail to the Legion at:
dunsdonbr461@rogers.com

The bulletin (paper copies) will still be available at the Legion for pick-up.

In comradeship,
Martial Laberge,
1st Vice President
