This is a great opportunity to promote your business and encourage employee teamwork. It also will give them a chance to mingle and socialize with volunteer legionnaires. Volunteerism is one of The Royal Canadian Legion's core activities. At its heart, the Legion is a grassroots organization that has its greatest impact through volunteer and community-based activities.

The Legion helps to support Veterans who served to protect the rights and freedoms we enjoy today. The Royal Canadian Legion is committed to ensuring they receive the care and support they deserve. The Legion advocates for Veterans' benefits and for the well-being of Veterans and their families. We also support many youth activities and special events as part of our commitment to the Brantford community.

Member Sports promotes Legion comradeship and sportsmanship by bringing together members from every branch of the Legion. Sporting events like this golf tournament help keep members active physically, so they can continue their volunteer work in the community.

If you are able to contribute or help in any capacity, please let me know.
Your support is appreciated.

Thanking you in advance.
